Name: _____

I hereby certify that I am the owner of the above referenced animal. I have read about, or had explained to me, the sterilization procedure and possible side effects of the process. I believe I understand the benefits and risks of this procedure and possible side effects of this process. I hereby consent to the sterilization procedure. I further agree to hold harmless the Missoula Humane Society, its employees, agents and volunteers from liability arising out of the sterilization of the above referenced animal. I further understand that any complications arising from the procedure are the responsibility of the animal's owner and that the Missoula Humane Society cannot be held responsible for any damages associated with follow-up care and/or treatment.

I hereby represent that I am unable to pay a regular veterinarian the full price for this service, therefore seek to be eligible to participate in the Low Cost Spay/Neuter Program based on of the following:

___ Receiving Medicaid

___ WIC (Women, Infant, Children program)

___ Receiving Aid to Families with Dependent Children

___ Food stamp program

___ Receiving other Social Supplemental benefits (specify) _____

___ Low or Fixed income. Yearly income: _____ Number of people in household: _____

**Please provide proof of your eligibility with this application.
Acceptable verification can include photo ID food card, Medicaid, or WIC card**

*Payment is required at the time of drop off. I understand that if my animal is left at the shelter for 48 hours it is considered abandoned and will become property of the Missoula Humane Society.
